## Disturbances (only document if birds react)

Eagle	Beach Walker	Walker w/ Dog	Motorized Boat	Non-Motorized Boat	Unknown	Other Cause
Example: 8:43, 8:54, Y						

Description: Eagle flew along beach and near shore. PGs flew out beyond the kelp and returned to near shore after about ten minutes.

Enter beginning and end time for each disturbance. Also note if the disturbance ended before the survey ended with Y/N. Add brief description of disturbance, if needed/desired.
