Disturbances (only document if birds react)

Eagle	Beach Walker	Walker w/ Dog	Motorized Boat	Non-Motorized Boat	Unknown	Other Cause
8:27, 8:35 Y						
			8:47, 9:00 N			
Motor boating back & forth in the colony gathering area. PGs flew off.						
Example: 8:43, 9:00, Y						
Description: Eagle flew along beach and near shore. PGs flew out beyond the kelp. Had not returned by end of survey.						

Enter beginning and end time for each disturbance. Also note if the disturbance continued after survey ended with Y/N. Add brief description of disturbance, if needed.

General Survey Notes _____
