 About

Downloading the Pigeon Guillemot Survey Form and Opening a Survey

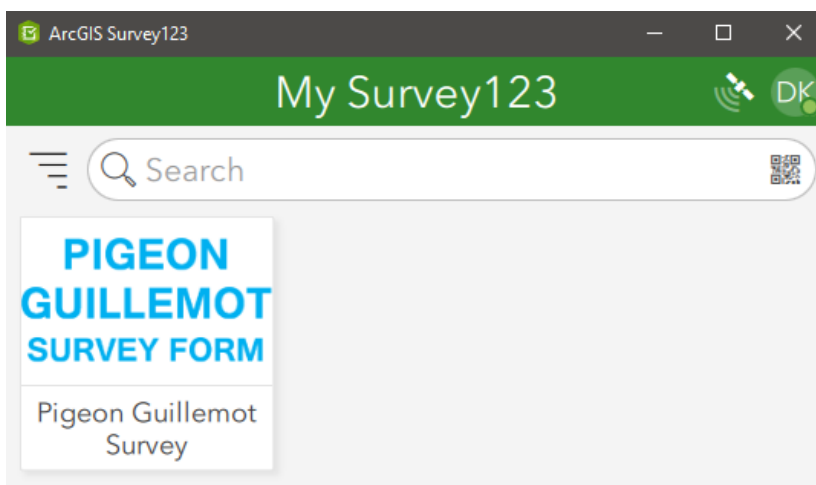

- Click the download symbol on the right side of the screen for the Pigeon Guillemot Survey Form. Ignore any other form downloads. You only need this one.

- Return to your My Survey123 screen by clicking the left-facing arrow at the top left of your screen.

- You should now have the Pigeon Guillemot Survey Form tile on your My Survey123 screen.

- Frequently when you start Survey123 you will see an indication that there is an update to the form. This happens whenever a new user or colony is added to the survey, or a change is made to the Survey Form. You will see the following indication on your screen. Go ahead and allow the form to be updated.
